Audio Engineering Society – Brazil Section

13th AES-Brazil Conference
19th AES-Brazil National Convention

25th-28th May 2015
Pavilhão Amarelo, Expo Center Norte, São Paulo, Brazil

CALL FOR PAPERS

The Audio Engineering Society Brazil Section is pleased to announce its **13th Conference** and **19th National Convention**, to be held in São Paulo, Brazil, from 25th through 28th of May 2015.

We invite all members from scientific and technological communities in audio, engineering, computer, music, and acoustics to submit original research and development papers, posters, workshops proposals and mini-course proposals. In order to promote interest in audio engineering among youngsters, the participation of undergraduate students with results in research and development projects is encouraged.

Manuscripts must be submitted in PDF electronic format using the JEMS/SBC system, at https://submissoes.sbc.org.br. Full Paper submissions (10 pages) and Short Paper submissions (5 pages) in Portuguese, Spanish and English will be accepted. Further instructions will be available at the conference website, at http://www.aesbrasil.org/congressos.

Questions to the conference organization should be addressed to congresso@aesbrasil.org.

Organization Committee

Program Committee Chairs
José Augusto Mannis (IA-UNICAMP)
Sidnei Noceti Filho (LINSE-EEL-CTC-UFSC)
Regis Rossi A. Faria (FFCLRP-USP)

Papers Chairs
Luiz W. P. Biscainho (COPPE/UFRJ)
Diego Barreto Haddad (CEFET/RJ)

Editorial Chair
Paulo Roberto Affonso Marins (UnB)

Infra structure Chair
Júlio César Lucchi (USJT-IMT-FEI)

Communications Chair
Márcio Brandão (UnB)

Convention Chair
José Carlos Giner (AES-Brasil)

Proposed Topics for Submissions

Environmental/Room Acoustics
Audio Amplification
Sound Analysis/Synthesis of Music and Speech
Automotive Audio
High Definition Audio (HD Audio)
Audio in Biomedical Sciences
Network Audio
Spatial and Multichannel Audio
Audio in Education
Internet Audio
Audio for Movies and Digital TV
Audio for Games
Audio Coding and Compression
Computer Music
Noise Reduction and Control
Audio Teaching
Audio Effects, Morphing and Edition
Electronics for Audio
Musical Instruments
Audio Watermarking
Analog and Digital Audio Processing
Auditory Perception and Psychoacoustics
Audio Quality Assessment
Audio Signal Restoration
Audiovisual Systems
Electroacoustics Systems
Recording/Mixing/Reproduction Techniques
Microphone and LoudspeakerTechnologies
Musical Technologies

Important Dates (deadlines)

Papers submission until	**09/Fev/2015**
Acceptance Notification:	**16/Mar/2015**
Camera Ready Submission:	**06/Apr/2015**
