

## NOTICE OF VACANCY

Department of Speech and Hearing Sciences  
College of Medicine  
Washington State University Health Sciences Spokane

### DESCRIPTION OF POSITION

The Department of Speech and Hearing Sciences (<https://medicine.wsu.edu/speech-and-hearing-sciences-2/>) in the Elson S. Floyd College of Medicine at Washington State University (WSU) invites applications at the Assistant Professor rank (tenure-track). The position is a 9-month contract and is located on the WSU Health Sciences campus in Spokane, WA (more info about the campus at <https://spokane.wsu.edu/>).

### POSITION RESPONSIBILITIES

The successful candidate will be expected to have an established and active research program and provide evidence of or potential for success in securing external funding. Primary responsibilities include: **(1)** maintaining a vigorous research program leading to publication, **(2)** competitive application for external research funding, **(3)** undergraduate and graduate teaching, and **(4)** service to the department, university, and discipline.

### QUALIFICATIONS

**Required:** **(1)** Earned PhD in speech-language pathology or closely related field prior to hire date of August 16, 2018, **(2)** a record of scholarly work and the potential to establish or maintain a nationally recognized, externally-supported research program, and **(3)** documented ability to teach at undergraduate and graduate levels.

**Preferred:** **(1)** Certificate of Clinical Competence in Speech-Language Pathology (CCC-SLP), **(2)** ability to teach voice, fluency, and/or adult neurogenic speech and language disorders.

### HOW TO APPLY

Apply online at: <https://www.wsujobs.com/> position 86978 or directly [here](#). Applications must include **(1)** letter of application describing professional goals, relevant academic preparation, and experience, **(2)** current curriculum vitae, and **(3)** contact information for three professional references willing to provide a confidential letter of recommendation. Confidential inquiries may be directed to Mark VanDam, [mark.vandam@wsu.edu](mailto:mark.vandam@wsu.edu), 509.358.7599. Priority consideration will be given to applications received by January 15, 2017. The position is open until filled. University information is available at <http://www.wsu.edu> and Health Sciences information available at <https://spokane.wsu.edu/>.

### STARTING DATE

August 16, 2018

### THE UNIVERSITY and ENVIRONMENT

Washington State University is a state-supported, comprehensive, land grant, research institution, co-located on four campuses connected by state-of-the-art telecommunications. The total enrollment is approximately 20,000 students in seven colleges offering doctorates in 44 disciplines and masters' and bachelors' degrees in 55 disciplines. The Department of Speech and Hearing Sciences is affiliated with the Elson S. Floyd College of Medicine and is located in the heart of the inland northwest on the Washington State University Health Sciences Campus in Spokane. The Department's undergraduate and graduate programs operate cooperatively with Eastern Washington University. The Health Sciences Building, on the Spokane River in downtown Spokane, houses state-of-the-art clinic, academic, and research facilities. Opportunities for outdoor recreation abound, including world-class mountaineering, rafting, fishing, backpacking, camping, mountain biking, etc. Within easy reach are multiple mountain ranges, numerous lakes, large rivers, and national and state parks.

Washington State University employs only U.S. citizens and lawfully authorized non-U.S. citizens. All new employees must show employment eligibility verification as required by the U.S. Immigration and Naturalization Service. Members of ethnic minorities, women, Vietnam era or disabled veterans, persons with disabilities, and/or persons age 40 and over are encouraged to apply. Washington State University is an equal opportunity/affirmative action educator and employer.
