

Dear colleagues,

It is my pleasure to announce the

International Workshop on Neural Mechanisms Underlying Improved Speech Perception

September 24 – 25, 2018

The workshop will be held at the Hanse-Wissenschaftskolleg (Institute for Advanced Study) Delmenhorst, Germany. Information on the workshop can be found on this website:

<http://www.h-w-k.de/index.php?id=2265>

Confirmed speakers

Michael Beauchamp (Baylor College of Medicine, USA)

Adeen Flinker (NYU School of Medicine, USA)

Usha Goswami (University of Cambridge, UK)

Joachim Gross (University of Münster, Germany)

Christoph Kayser (University of Bielefeld, Germany)

Sonja Kotz (Maastricht University, Netherlands)

Chris Petkov (Newcastle University, UK)

Ediz Sohoglu (University of Cambridge, UK)

Katharina von Kriegstein (TU Dresden, Germany)

Abstract deadline for poster presentations is May 31st 2018 (**extended deadline: June 15th 2018**). Acceptance notifications will be sent out in June (~ 20 posters in total). The workshop fee is 100 Euro and includes all meals (see preliminary program). The fee does not cover travel and hotel costs. Shortly after the notifications, travel information will be send out and information on special hotel room rates.

I look forward to an exciting workshop!

All the best

Inga
